

## **Pastor Erica T Gordon**

Erica T Gordon is originally from Whiteville, North Carolina and is the second oldest of five children. She was a member of Diamond Branch Missionary Baptist church from birth to 18 and served in the youth ministry, as the church secretary and as an usher. It is at Diamond Branch where Erica accepted Jesus as her personal savior and was baptized along with her father. Erica attended and graduated from Whiteville City Schools in 1990. While in school, she was selected to attend Girls State and was awarded a scholarship by the American Legion. Erica attended Fayetteville State University in the fall of 1990 and was a member of the gospel choir and Air Force ROTC. She quickly realized that college, at the time, was not for her and after time away, she joined the United States Air Force in 1994. Upon joining the Air Force, Erica unknowingly spoke prophetically over her life and said that she would stay in 20 years, make E-7 (Master Sergeant), and retire. After being stationed at Clovis, Ramstein, Zweibruiken, Fort Lewis, Fort Meade and the Pentagon, Erica retired as an E-7 while working on Joint Staff after 20 years and 11 months. She worked in administration, as a personnel security manager, deployment manager and training monitor.

It was at Erica's first duty stationed that she became a member of True Victory Church of God in Christ where she sang in the choir and was actively involved in the Singles' Ministry and on the prayer team. Throughout Erica's military career she remained actively involved in Church of God in Christ ministries

for 12 years. Wherever the Lord led her, she was involved in different aspects of ministry. In 2003, while in Washington State, she was licensed as a Missionary in the Church of God in Christ by Mother Willie May Rivers. In 2006, under the leadership of Pastors Orlando and Dione Moore, she became a licensed Elder.

Erica currently resides in Waldorf, Maryland with her two daughters, Diamond, and Jasmine. She is a member of Israel Total Life Ministries. She works as an Executive Administrator to the Director, Space Capabilities in Arlington, VA and is currently pursuing a Pastoral Counseling degree at Liberty University. She currently holds degrees in Information Management and Information Technology Management.

Erica is a woman of few words but has a heart for the people of God and loves to be a help to others in ministry. She has witnessed the hand of the Lord in the lives of the people, seen lives transformed and has also witnessed God restore and reclaim in miraculous ways. Erica is pressing with great expectation

into the future standing on the promises of God, not only for her family, but for everyone she encounters.
